

MULTI-PURPOSE FELLOWSHIP BUILDING

The CENTERPIECE of facilities goals provides for a new Multi-Purpose Building for many different types of Church functions including:

5,640 sq. ft multi purpose Gathering Hall to accommodate fellowship meals, in-door basketball, and volleyball, community events;

A modern kitchen for preparation and serving of congregation meals and fellowship;

A stage for Christian Education events, remote visual viewing for holiday services overflow, community programs, concerts, and other events;

Storage space for sports equipment;

Storage space for folding tables, chairs;

A Quilting/Activities Room;

Four class rooms which may also serve as meeting rooms;

A modernized Nursery;

Modern, accessible, rest rooms;

An exterior design which will compliment our historic Sanctuary;

MULTI-PURPOSE FELLOWSHIP BUILDING

*THE MULTI-PURPOSE FELLOWSHIP BUILDING WILL REPLACE THE LIMITED SPACE IN OUR FELLOWSHIP HALL (CONSTRUCTED IN 1954).*

*RE-VISION REPORT 2007: "Our current Fellowship Hall is completely inadequate to support current and future JIPC ministries"*

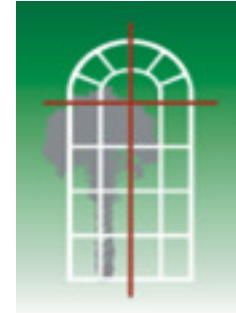

*A Multi-Purpose Fellowship Building will improve our visibility in the community and enable us to provide many new programs and activities.*

*A Multi-Purpose Gathering Hall will enhance our ability to attract young people and families.*

*Class rooms and meeting rooms in the Multi-Purpose Fellowship Building will enable JIPC to pursue Spiritual Development, Christian Education, and Outreach Initiatives.*

*A Multi-Purpose Fellowship Building provides appropriate facilities flexibility future growth and campus development.*

*The proposed Multi-Purpose Fellowship Building will expand our capacity for ministry while complimenting our historic Sanctuary.*

*"FOLLOWING THE VISION"*

**Multi-Purpose  
Fellowship Building**
